I hereby certify that I am voluntarily requesting a Permit from DEP to enter and use certain property owned by the City of New York (City) for purposes and in a manner as defined by such conditions as are issued and rules and regulations as are promulgated by the City. I understand that it is my responsibility to know and abide by the following rules, regulations, and conditions: for fishing (reservoirs and in designated areas) and boating - DEP Interim Permit Conditions Governing Fishing and Fishing by Boating on New York City Reservoirs; for hiking - DEP Interim Permit Conditions Governing Hiking on New York City Water Supply Lands; and for hunting - DEP Interim Permit Conditions for Governing Hunting on New York City Water Supply Lands. I fully understand the inherent risks, including but not limited to drowning, death from exposure, and injury by firearms, of using the Property, which is undeveloped and may be unguarded and is used for water supply purposes and may contain lakes, ponds, creeks, streams, reservoirs and other types of watercourses, dams, steep slopes, and other natural or manmade structures. I voluntarily and expressly assume any and all risks of personal injury or property damage that might result from my use of the Property, except where such personal injury or property damage is caused by the intentional acts of the City or the willful or malicious failure to guard or to warn against a dangerous condition, use, structure or activity, by the City.

I agree on behalf of myself, my heirs, successors and assigns to voluntarily and fully release, indemnify, and otherwise hold harmless the City and any of its officers, agents, servants, representatives and employees from any and all liability for any personal injury, wrongful death, property loss, property damage, claim or expense of whatsoever nature and description, resulting from any cause whatsoever arising out of my being in, on or about the Property, except where such damage or injury is caused by the intentional acts of the City or the willful or malicious failure to guard or to warn against a dangerous condition, use, structure, or activity, by the City.
