

**TOWN OF NEVERSINK
NOTICE OF ADOPTION OF
RESOLUTION TO ESTABLISH
SEPTIC MAINTENANCE DISTRICT**

NOTICE IS HEREBY GIVEN that at a regular meeting held on the 14th day of November, 2018, the Town Board of the Town of Neversink, New York (the “Town”) duly adopted a resolution following a public hearing, an abstract of which follows, which resolution is subject to a permissive referendum pursuant to Town Law Article 7. If a permissive referendum is sought for this district formation, the petition requesting a permissive referendum must be filed with the Town Clerk within 30 days from the date of this notice.

The purpose of Resolution #23 of 2018 is to establish a Septic Maintenance District (“District”) for the Hamlet of Claryville in the Town of Neversink. The general boundaries of said proposed district are as follows: those properties located in the Hamlet of Claryville located within the Town of Neversink delineated on the proposed Service Area Map on file with the Town Clerk.

The improvements and services proposed to be provided by the District are as follows: the repair, replacement and maintenance of the individual septic systems within the District. The Engineer's Report and Plan fully detailing the services proposed to be provided by the District are on file with the Town Clerk.

The Town will not incur any expense in the formation of the proposed District. The operation and maintenance of the septic systems will be funded with funds being provided by the Catskill Watershed Corporation as part of a District fund (“Fund”). The income earned each year from this Fund will be used for repair, replacement and maintenance of the septic systems within the District.

Dated: November 19, 2018

By Order of the Town Board of the Town of Neversink
