Subject: ZONING VARIANCE FOR KERILANDS RESORTS DEVELOPMENTS

Lisa Garigliano

I have lived in the Town of Neversink my whole life, raised a family here and will probably die here so this area and town is my world therefore I would like to express to you my very strong opposition to any zoning variances being allowed for the Kerilands Resort Development.

The impact to the environment not to mention the wildlife and natural beauty would be devastating. Our zoning policy has served us well for 30 years or so. I see no reason to change it for strangers that in NO WAY have our best interests at heart and will only start an avalanche of others to seek out our beautiful area to compromise.

I'm sure you will take everything into consideration and help our town stay intact.

Sincerely,
Gayle Irving
